## **INTERMENTS**

- No new interment will be allowed for Parts I, II, or III as of 07-Aug-2024.
- Any existing ERoB already purchased for Parts I, II, or III, will be honoured, subject to rigorous checks being carried out against, ERoB books, Burial Registers and maps.
- No double depth burial plots will be allowed.
- Interments should ideally take place Tuesday to Friday.  
Interments may take place outside these days by special arrangement.
- Only coffin burials will be allowed.
- Cremated remains must be interred in an urn, casket or other receptacle designed for this purpose.
- The scattering or burial of cremated remains without the Consent of the Council is strictly prohibited and is liable to prosecution
- In the case of cremated remains, a maximum of two may be interred per cremation plot or within an existing burial plot.
- All grave spaces will be allocated by the Clerk and a plan showing the location of same will be kept at the Parish Office.

## **GRAVE DIGGING**

- Only grave diggers employed by BGPC are allowed to carry out work on the site.
- Graves should be excavated by hand, but allowance for mechanical diggers is agreed, if access permits.
- All excavations will follow current regulations in place.
- All excess soil must be removed from the site or placed on the Council's soil heap in the allotments adjacent to the cemetery.

## **RE-OPENING OF GRAVES**

Once interments have taken place, a grave may only be re-opened in the following circumstances:

- For up to two successive interments of cremated remains only (burial plot)
- For up to one successive interment of cremated remains only (ashes plot)
- For exhumation purposes – only by a court order for same

## VEHICLES

- No vehicles, cycles or motorcycles are allowed entry into the cemetery, except for Funeral Directors vehicles, Grounds Maintenance vehicles or for plot preparation.
- If any damage is caused to the cemetery, or items within the cemetery, by any vehicle, the person(s) driving the vehicle will be held fully responsible and will be expected to reimburse any costs incurred in repairing or reinstating such damage.

## EXCLUSIVE RIGHT OF BURIAL

- No new Exclusive Rights of Burial (ERoB) will be allowed for Parts I, II, or III as of DD-MMM-YYYY.
- Any existing ERoB already purchased for Parts I, II, or III, will be honoured, subject to rigorous checks being carried out against, ERoB books, Burial Registers and maps.
- No ERoB, detailing a double depth burial plot will be allowed.
- When an ERoB is purchased, the full name and address of the purchaser must be supplied. The Grant will be numbered & will specify the name & address of the purchaser & details of whom it has been purchased for as appropriate.
- Purchasers shall not dispose of their rights without the written consent of the Council. Where any rights have not been exercised, the Council may, at any time (after the expiration of the time period specified in the exclusive right) re-use the grave space without notice to the purchaser.
- If a purchased grave is to be used for an interment, then the grant of exclusive right must be delivered to the Clerk at the Parish Office immediately upon notification of said interment.
- If ownership of an exclusive right is to be transferred, the grant of exclusive right must be delivered to the Clerk at the parish office at the time of transfer. No transfers of ownership will be considered without such grant.
- Where the original grant has been lost or destroyed, every effort will be made to trace the grave space; however proof will be required to confirm that the person claiming the space is actually entitled to use same.
- For Exclusive Rights purchased for less than 50 years, renewal of said right may be available for an additional fee up to a maximum of 99 years.

## HEADSTONES/MEMORIALS/PERSONAL ITEMS

- An exclusive right of burial must be purchased before any memorial of any kind can be erected.
- Full details of all headstones, vases or other memorials must be sent to the Parish Office for the Clerk to provide written approval prior to any installation takes place.
- At least 14 days notice must be given to the Clerk by Masons etc before erecting an approved memorial to allow the plot to be marked out to ensure it is positioned correctly. Any memorial that has been installed without the Council marking out the correct position will have to be removed & repositioned as appropriate at the Memorial Mason's own expense.
- Memorials must not be removed from the Cemetery without prior approval of the Clerk.
- The following minimum periods must have elapsed following interment before any headstone/footstone/kerb stone and/or other fixed memorial can be fitted in Burial Plots Part I, II & III:

Burial plot	Cremation plot	Cremation plaque on burial plot
6 months	3 months	3 months

- No minimum periods are required before headstones can be erected in Burial Plots Part IV.
- Vases not incorporated into a headstone can be placed on a burial and/or cremation plot immediately following interment.

- Permitted number and dimensions of memorials per plot:

<b>Burial Plots Parts I, II &amp; III</b>	
1 headstone	not exceeding 100cm / 39 inches in height/ 39 inches in width
1 vase	not exceeding 40cm / 16 inches in height
2 cremation plaques	not exceeding 10cm / 4 inches in height
Footstones and/or kerb stones	not permitted

<b>Burial Plots Parts IV</b>	
1 vertical rectangular shape headstone fitted to the concrete plinths provided - fitted equidistant between the front and rear of the plinth.	not exceeding 100cm / 39 inches in height/ 39 inches in width
1 vase incorporated into the base of the headstone (fitted to the concrete plinth).	not exceeding 10cm / 4 inches in height
2 cremation plaques	not exceeding 10cm / 4 inches in height

2 cremation plaques	not exceeding 10cm / 4 inches in height

- Full details of the sizes/dimensions must be sent to the parish office for the Clerk to provide written approval prior to any installation taking place. The parish council reserves the right to refuse any application where this may cause issues/encroach into adjoining and/or surrounding plots.
- Vases not incorporated into the original memorial must be of a robust material and not be constructed of glass, ceramic or other fragile material.
- All fixings used to secure headstones and/or other memorials must be appropriate for the area being fitted and must be installed using the recommended fixings approved by the National Association of Memorial Masons (NAMM) or the British Register of Accredited Memorial Masons (BRAMM).
- No glass, ceramic or other fragile items to be left on graves.
- A maximum of 5 personal items may be left on the grave provided that the items are on or around the headstone space. These items are left at the person's own risk; the item does not cause offense to others & they are not placed in position where they will cause injury or damage to others or interfere with the general maintenance or grass cutting. Items may be moved to allow access for grass cutting. For excess items the Council reserves the right to ask for these items to be removed at their discretion.
- No food items are to be left as a tribute.
- If a memorial is found to be unsafe and dangerous the Council will make safe the area by cordoning off the grave or will lay the headstone down. The owner of the exclusive right for the grave will then be contacted (or a notice will be placed on the grave) for them to make arrangements to have the headstone repaired/re-fixed as appropriate. The owner of the exclusive right for the grave is responsible for all charges necessary in repairing/re-fixing said memorial. Occasionally volunteers may clean and restore the headstone, please advise the Clerk in writing if you do not wish for this task to take place.
- Hanging of or attachment of items to trees/bushes/hedges etc. is strictly prohibited.

## **FLORAL TRIBUTES**

- Floral tributes can be left at any time but all dead flowers, wreaths or any other unsightly items must be removed from the grave as soon as possible & deposited in the appropriate receptacles provided. For items left for special occasions, the handyman will remove (if not already been done) in the following timescales:
- Christmas – items will be removed from the 21<sup>st</sup> February
- Easter – items will be removed 4-6 weeks after the Easter holiday
- Remembrance Day – items will be removed by mid December

The planting of flowers, trees, shrubs etc on any grave is strictly prohibited.

## **UPKEEP & MAINTENANCE**

- Upkeep & maintenance of the Cemetery grounds will be undertaken by the Council only and the use of lawn mowing/grass cutting equipment is strictly prohibited by any other party.
- The use of hand shears is permitted to trim around individual headstones only.
- Upkeep & maintenance of actual headstones/memorials themselves is the responsibility of the owner of the ERoB for that plot.
- All graves may be levelled or filled (if sinking occurs) as necessary by the Council.
- The Council reserve the right to remove from any grave any flowers, plants, trees, shrubs or any other item which the Council feels is dangerous, offensive, unsightly, overgrown or detrimental including tributes and personal items, as it deems necessary.
- All rubbish must be placed in the appropriate bins on site.

## **DAMAGE**

To the extent that the general law permits, the Council accepts no responsibility for loss, damage or injury howsoever caused by visitors and/or dogs brought into the cemetery.

Any damage occurring at the Cemetery whether it be to gates, graves, memorials etc howsoever caused must be reported to the Clerk within 3 working days of the damage occurring. The person causing the damage shall be responsible for ensuring that the damage is rectified/repared as soon as possible (and at their expense) and this must be done to the Council's required standard and within the timescales specified.
